Captain Lee

Alexander Barmine

1. As you requested, Mr. Shepardson and Colonel Lowman have discussed the matter of employing Mr. Barmine. They both agree to and recommend the following procedure, i.e., that Mr. Barmine be hired immediately by P.B.Q. Co., Inc. on the unvouchered payroll. Later on, SI may wish to employ him in Washington for translation and other work and this will be worked out with Colonel Lowman. If such a change is made, he will remain on the unvouchered payroll.

2. Will you kindly let us know if the foregoing is agreeable to you. Colonel Lowman is very anxious to give Mr. Barmine a final answer as soon as possible.
